**“Peace!” from NAGASAKI to the World**  
Message from Dr.Takashi Nagai, A-bomb survivor, and his wife Midori

**Life and Message of Dr.Takashi Nagai & Midori**  
**(Panel exhibition)**

**Venue : Entrance Hall, 1<sup>st</sup> floor, Bldg.2**

**Schedule : June 1 – June 29**

With the growing threat of the use of nuclear weapons in the war in Ukraine, a message from Japan, the A-bombed country, is urgent. After losing his wife in the Nagasaki atomic bomb, a medical scholar, Dr. Takashi Nagai, devoted himself to the rescue and care of irradiated victims and wrote numerous works. This exhibition will display the life and message of Takashi Nagai related to the symposium to be held on June 3.
